Learn about federal tax benefits for education, including the American Opportunity tax credit.

Expected Family Contribution:

You are not eligible to receive a Federal Pell Grant because you reported that you have a bachelor's degree (Item 25) or you are working on a degree beyond a bachelor's degree (Item 44). Your financial aid administrator will determine what types of federal student aid you are eligible to receive.

FAFSA Data

Your FAFSA data reflects the answers you provided on your FAFSA form. Assumed values are marked with an asterisk (*).

What you must do now:

Use the checklist below to make sure that all of your issues are resolved.

- The Social Security Administration didn't confirm that you are a U.S. citizen. Provide your financial aid office with documentation of your U.S. citizenship (such as, your U.S. passport, Certificate of Naturalization, or birth certificate). If the documents support your status as a U.S. citizen, the financial aid office at your school will make a copy of your documentation and can continue to process your federal student aid. If you are an eligible noncitizen, you or your school must submit a correction to Item 14 to indicate that you are an eligible noncitizen and also provide your Alien Registration Number in Item 15. You and your school will receive a new *Student Aid Report* (SAR) or Institutional Student Information Record (ISIR) within three processing days with results from the U.S. Department of Homeland Security about your eligible noncitizen status.

- Be sure to review the items marked with a *h* and make any corrections if necessary by selecting "Make Corrections" on the "My FAFSA" page.

- If you need to make corrections to your information, select "Make Corrections" on the "My FAFSA" page using your account username and password (FSA ID). If you need additional help with your *Student Aid Report* (SAR), contact your school's financial aid office or select the "Get FAFSA help" link from the FAFSA home page. If your mailing address or email address changes, you can make the correction online.

Financial Aid History

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals on your Aid Summary. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on your Aid Summary. You can obtain general information about each of the types of loans that are listed below by visiting StudentAid.gov.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans," it is because we could not determine whether those balances were subsidized or unsubsidized.
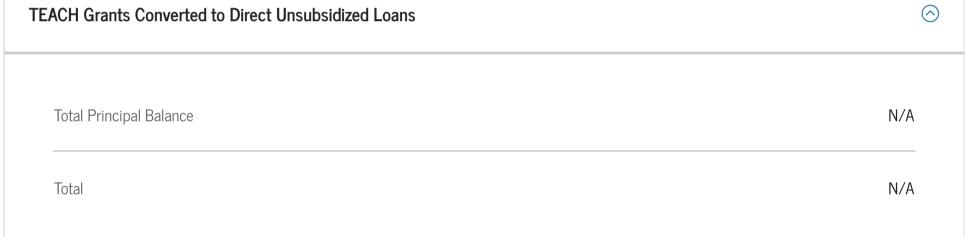

Remember, you are responsible for repaying all of the amounts that you borrow plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately $10.61 for every $1,000 that you borrowed. Your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.
